Finding the Computational Memory Lab
425 S. University Ave., Levin Building, 2nd Floor

(Please see an additional map on the second page of the parking garage and 30th Street Station.)

Walking from 30th Street Station:
- Walk West on Market Street until you reach 38th Street
- Make a left on 38th street and keep walking down approximately 7 blocks until you see Hamilton Walk
- Make a left on Hamilton Walk, pass Leidy Labs and make the immediate right.
- Walk up approximately 100 feet, and you will see the Levin Building (second building on your right).

Garage Parking:

Walnut 38 Garage
N.E. corner of 38th and Walnut Streets
119 South 38th Street
Philadelphia, PA 19104

Directions
- The entrance to this parking garage is on Walnut Street. It is on the right, just before 38th Street (it is immediately after the Pottruck Gym and before a TDBank).
• To get from the parking garage to the Levin Building, make a left on 38th Street, walk approximately three blocks, until you see Hamilton Walk.
• Make a left on Hamilton Walk, pass Leidy Labs and make the immediate right.
• Walk up approximately 100 feet, and you will see the Levin Building (second building on your right).
